RESIDENTIAL & COMMERCIAL FLEXIBILITY

IDEAL FOR INDUSTRIAL REDEVELOPMENT

Discover a rare opportunity in Rocky View County with this prime 10.34-acre (76.45m x 550.41m) industrial parcel located in a highly sought-after corridor near established and emerging industrial development. Zoned I-LHT, the property offers flexible long-term potential for a wide range of light industrial, storage, yard, service, and transportation-oriented uses, subject to municipal approvals. Adding immediate value, the site is currently improved with an active RV storage business featuring 180 stalls with 100% occupancy, providing valuable holding income while future plans are explored. With its generous land size, existing income stream, and strategic position within one of the region's most active industrial growth areas, this property is ideally suited for investors, owner-users, or groups seeking a versatile site with both near-term cash flow and long-term redevelopment upside. Secure a significant landholding with built-in revenue and unlock the future possibilities today!
